FORTUNER

Exterior Design: Presigious & Dignified Appearance

The sharp, front upper body gives Sleek & Cool image. While the lower body exudes a sense of Prestige.

LED Headlamps and Fog Lamps

18-inch Alloy Wheel

LED Rear Combination Lamp

Robust to the core: Only a true SUV can inspire off-road adventures.

Beneath the sophistication, the robust frame and advanced off-road driving technologies form the core of the outstanding rough terrain capabilities.

1GD-FTV Engine
2.8-liter V6 Turbo Diesel with Inter Cooler
150kW/3400rpm
500Nm/1600-2800rpm

6-speed Automatic Transmission with Drive Mode Switch
Delivers exceptional performance with great ride comfort and fuel economy in all driving conditions. In addition allows the driver to select ECO mode for optimum economy or SPORT mode for enhanced acceleration.

Part-time Transfer Switch
Highlighting driver-friendly operation, you can switch between 2WD and 4WD by simply turning the dial switch, even while moving.

Exceptional convenience: Complement your active lifestyle.

Versatile seating arrangements and an abundance of storage spaces quickly and easily accommodate the changing demands of a mobile lifestyle.

Power Back Door

To make it even easier to load and unload, the powered back door can be opened and closed without the driver needing to leave their seat or be controlled from the rear of the car.

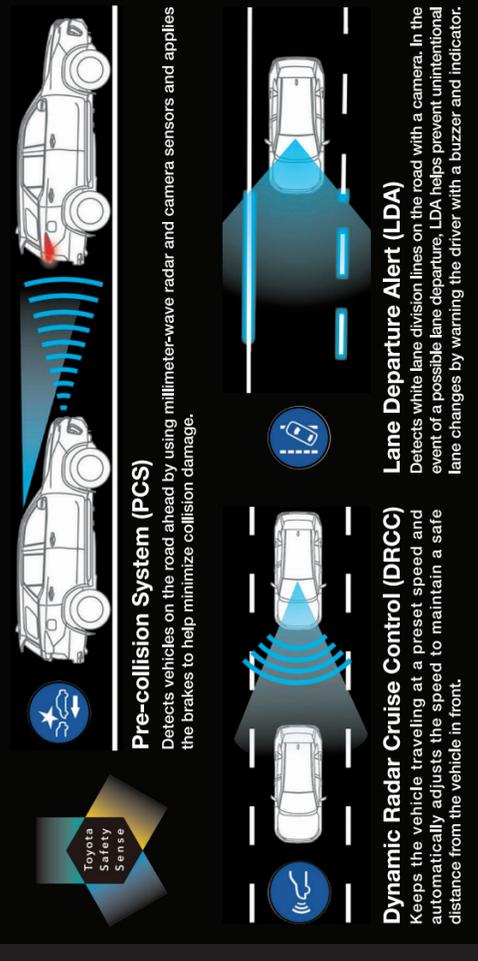

Luggage Space Storage

The third row seats easily fold up with a single pull to provide both flexible and maximum luggage space.

Peace of mind: Reassuring strength and reliability.

Combining the strength and reliability of a true SUV with advanced active and passive safety measures contributes to peace of mind, on-road and off-road.

Back Monitor

Supports smooth reversing operations when parking at a 90-degree angle or parallel parking, showing the rear view taken by a camera integrated into the rear of the vehicle on the display.*

* The rear view camera system shows a limited area. To help ensure safety, be sure to look at your surroundings before you proceed.

Authentic presence: Tough meets gorgeous.

The bold design embodies functional beauty, blending advanced ergonomics, intuitive operation and refined features to provide a truly engaging driving experience.

Combination Meters

The easy-to-read meters and a 4.2-inch color TFT (Thin Film Transistor) multi-information display provide the driver with vital vehicle information at a glance. An Eco Driving Indicator supports eco driving.

8-inch Display Audio

An audio system that meets the progressive demands of the multimedia age, such as enhanced connectivity with external devices, is equipped.

Automatic Air Conditioner

The highly efficient system maintains a comfortable cabin temperature, and at the same time contributes to the excellent fuel economy.

EC (Electrochromic) Inner Mirror

Electrochromic Inner Mirror automatically senses light from behind during night time driving, and helps reduce glare by dimming its mirror surface.

Power Seats for Driver & Front Passenger

Elegant comfort: Space you'll love to share.

Quality details enrich the quiet ride and spacious comfort of the cabin, creating a sophisticated environment for your driving pleasure.

Seating Arrangement

The spacious 7-seater SUV provides convenient seat configuration flexibility that satisfies the needs of a diverse range of lifestyles.
