Rear Combination Lamp

INTERIOR

Interior Illumination

Front console cup holders are equipped with an LED shower light, conveying an air of advanced technology.

Combination Meter

Optitron meters with multi-information display offer superior visibility and ease of use.

Automatic Air Conditioning System

A stylish, easy-to-use auto air conditioner with built-in clean air filter helps to keep cabin air clean and maintain a comfortable temperature.

Smart Entry & Start System

With the Smart Key, you can unlock and lock the doors just by touching a door handle, and you can start the engine just by stepping on the brake and pressing the Start / Stop button.

UTILITY

The well-appointed interior achieves increased shoulder room for the passengers. Additionally, rear seat and headrest shapes have been improved. The optimized interior of the VIOS offers superior comfort for all onboard.

Front Cup Holder & Smartphone Storage Space

60:40 Foldable Rear Seats

PERFORMANCE

1NR-FE Engine

The 1NR-FE engine generates ample power along with high fuel efficiency and low emissions.

Continuously Variable Transmission (CVT)

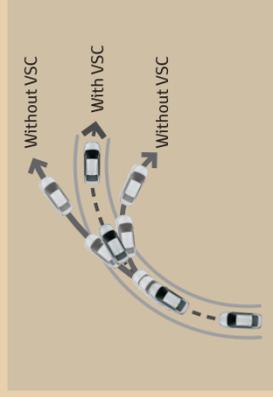

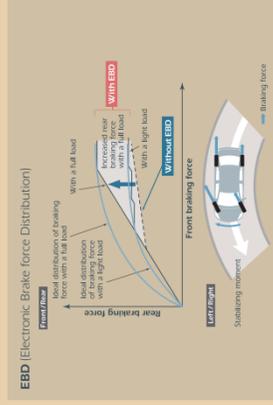

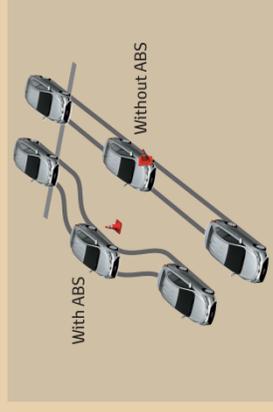

The CVT with manual override gives you a smooth, enjoyable drive with sequential shifting. For a sporty shift feel, you can use the shift-up / shift-down lever.

Suspension and Brakes

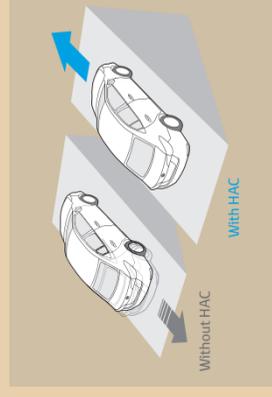

The suspension system has improved its coil springs and shock absorbers to provide superior ride comfort. The brakes offer excellent stopping capability.

SAFETY

Anti-lock Brake System (ABS) with Electronic Brake-force Distribution (EBD)

Vehicle Stability Control (VSC)

Hill-start Assist Control (HAC)
